11 x 1

This optional Drawing Set consists of:

- Sheet 3 “Schematic”
- Sheet 4 “Track Unit Layout”
- Sheet 5 “Rheostat Bracket”
- Sheet 9 “Control Unit Layout”
- Template—A color PLASTIC Sheet 9 (you glue this to a final assembly)

Use these drawings with the step-by-step instructions in Technical Bulletin B9702 (rev A, 02/99)

Model 146b

SGL Track Automatic Block 17 Copies

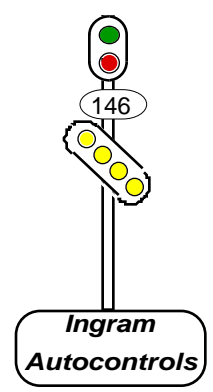

Set includes the following 5

- 1. "Diagram"
- 2. "Block Layout"
- 3. "Wiring Diagram"
- 4. "Mounting Diagram"
- 5. "Parts List"

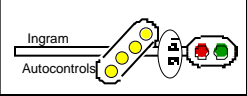

Each copy is a LAMINATED copy of the above on a wood base and it becomes part of the

Assembly-step 'Model 146b' instructions in the manual (1997) starting on page 25.

Please ignore any references to obsolete Colorado phones and addresses. Contact info is at track2.com, as of 6/2006.
